

BE A SCIENTIST!

EXPLORE AMAZING LICHENS AT DR. LICHENZ RESEARCH LAB

Hey kids!

Join fellow air quality scientist, Dr. Lichenz, on a training mission into the fascinating world of lichens.

Learn all about lichens, why they are important, how scientists use them to help keep our air clean, and how you, too, can be a scientist!

HERE'S HOW TO PLAY:

STEP ①

Download the FREE **Agents of Discovery** app. Open the app and click on "Missions."

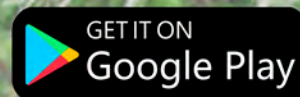

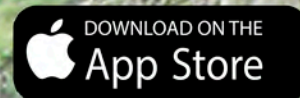

STEP ②

Open "**Dr Woodz-Lichen Research Lab**" and tap on the Challenge icons.

STEP ③

After you learn about lichens, go outside and be a lichen scientist!!
